President's Message

Hi everyone,

The Northern/Southern Oldsmobile Zone show at Morro Bay was a very successful show with great weather conditions once you were over the mountains and in Morro Bay. There were lots of cars from both clubs with some first time cars. It was a special treat to see some very beautiful 1930's Packard cars that were also staying at the Inn at Morro Bay.

Next is our report on the progress of preparing a proposal to host the 2011 Nationals. We now have 30 members that volunteered to help the planning & work at the event with an additional 8 volunteers to work at the event. We still could use a few more to volunteer, but we are moving forward with the committee we have now. The search for a hotel and SWAP meet area is still in the San Francisco Bay area and if anyone has a potential hotel/SWAP meet area to checkout, please contact me and I will send you the requirements. The Marriott in Santa Clara and a couple others are being considered with the possibility of Sparks, NV if one in the bay area or near by can not be found. (See page 4 for latest info)

Your President, Dan Haggerty

Activities

This Sept. at the Micke Grove Show in Lodi, we will have in addition to the judged car show a BBQ picnic. All members need to do is bring their cars and a side dish and the club will provide the BBQ food, waters and trophies. This is a beautiful park so plan to bring your kids and grandkids for a fun time for all. More details on enclosed flyer and in next Oldsletter issue.

Editor's Note

In this issue of the Oldsletter we cover the zone show held in Morro Bay. Lynn Kissel has added to the article with his perspective and some Packard photos, yes Packard! See page 6. Gary Hinman's pristine '66 Toronado was Best of Show..way to go Gary! This zone show was the first one I've ever attended where Woodie Hyde was not present. For those who don't know Woodie, he passed away in January, and was especially known for his love of 1950 Oldsmobiles. He was a walking dictionary of information on these cars and knew where you could get parts if he didn't already have them. But Woodie was there in spirit. At least 15 of these Rocket 88s showed up at this meet. Not all on the show field but none the less there. And to me the high honor of the day was when the So Cal club picked my '50 coupe as their favorite Nor Cal car and Cathi Giglio So Cal President said, "this is in honor of Woodie Hyde."

I will cherish this award forever.

More on Our National Bid

To: Board Members and the NOR-CAL 2011 National Committee Volunteers.
Here is the latest status report on NOR-CAL proposal to host the 2011 OCA Nationals -

- San Jose hotels are too expensive. Therefore that location is out
 - Marriott Hotel in Santa Clara; is still in the running as a possibility I should hear back on whether they can provide a large enough SWAP meet area by 6-14-08
 - Other possibilities in Santa Clara; Patrick Rogers is working this one and expects an answer in a few more days
 - I am working the following locations; Reno, Sparks, North Lake Tahoe and expect quotes form various hotels in 10 days
 - Jon Manji is looking in the Sacramento area and should have information by the general meeting in Walnut Creek on June 29, 2008
- I should have all of the above potential location cost quotes by our general meeting in Walnut Creek on June 29, 2008 ready for review.

As of June 3, 2008 below from Dan Haggerty,
Names of member volunteers that would commit to help, (planning & work at event)

Morro Bay Zone Show 2008

This was our annual Zone Show held again at the Inn at Morro Bay. The weather was perfect there but those who traveled through central California to get there had 100+ heat to deal with. Below is an experience Nor Cal member Lynn Kissel and his son Andrew had with his car Penny;

“This is a Cool Town

It’s not just a comment about the metaphysical state of the town, after about four hours on the road in 100°F temperatures in a car without air conditioning, Morro Bay is cool—literally. Situated on a bay to the Pacific Ocean, the air temperature is in the mid-70s. It is very pleasant. One can stand in the full sun and still feel comfortable.

As in previous years, the hotel has graciously provided an area with a hose and water for washing cars. Lynn wastes no time getting the road dust and insects off of Penny.

As can be expected during a car show weekend, people are strolling through the parking lot, stopping to talk with others about their cars. Several people stop and talk with Lynn and Andrew about Penny. Everyone is mellow, polite and interested to learn more about the interesting cars they find scattered across the lot. Everyone is sharing small stories of their own car adventures and experiences. This is really a great start to the weekend and the brutal heat of the ride quickly fades from memory.”

The show went off with out a hitch thanks to the leadership of the So Cal and Nor Cal Clubs. Ken and Lori Van Gundy and help from the volunteers did an expert job judging and awarding this event. Ken snagged the “Hard Luck Award” unintentionally by having to return home after arriving at Morro Bay, to get the event T- shirts he forgot. So he traveled twice from Roseville, CA 900+ mi.

The banquet dinner was very good and Scot Taylor won the 50/50 raffle drawing.

Awards went to Garry Hinman, 1966 Toronado for Best of Show.

Best Nor Cal pick of So Cal car was Barry and Martha Newton, 1965 88 sedan.

Best So Cal pick of Nor Cal car was Larry Ewing, 1950 88 Coupe (all 3 on Cover).

Long Distance award went to Paul Turkovich, from Fortuna, CA 500+ miles.

More from Lynn Kissel;

A Packard car club is also using the Inn at Morro Bay as their base for weekend activities.

What’s this? A Packard club will be sharing the hotel with the Olds club this weekend. The Packards are touring and it is a treat to see these beautiful and magnificent cars glide in and out of the parking lot all weekend long.

Oldsletter

The Oldsletter is published six times per year by the Northern California Chapter of the Oldsmobile Club of America, and is provided as a benefit to members of the chapter. Its sole purpose is to inform and entertain members regarding all aspects of the Oldsmobile, including history, technical advice and restoration. *The Oldsletter* is a reflection of its readership and all are urged to submit any article, technical tip, personal history, comment, etc.. that other Oldsmobile enthusiasts might enjoy. Just submit all material to the Newsletter Editor.

Dues are \$30.00 for membership in the Oldsmobile Club of America and \$25.00 for the Northern California Chapter. Nor Cal collects dues on an annual basis due January of each year. Send to the Membership Secretary listed on page 2. We can also forward your OCA dues if you wish. **Membership in the OCA is a prerequisite for membership in the Northern California Chapter**

Nor Cal members **John and Margi Smith** were invited to the Hillsborough Concourse in June. Their '57 Golden Rocket 88 displayed here on the lawn looks marvelous!
